

INDUCTWARM® 200 BUILT-IN

GN 1/1-SIZED BUILT-IN WARMER

FEATURES

- 3 warming zones (overall warming zone of GN 1/1 can be split into three warming zones of size GN 1/3 each)
- 4 power levels
- Integrated dish detection - warming zone is active only when dish is placed within
- Allows an almost invisible integration
- Memory feature - reactivation of previously selected power levels

YOUR ADVANTAGES

- With robust, black glass ceramic top and touch panel
- Turns tables and counters into multifunctional buffet furniture
- Highly energy-efficient due to modern induction technology
- Precise power regulation at the touch of a button
- Even, easy-to-clean surfaces for best possible hygiene
- Instantly ready to use without long preheating period
- Improved room climate: no hot steam, no smell of burning paste
- Suitable for all kinds of induction-compatible dishes

Dimensions: 588x331x64 mm
Power supply: 1000 W
Input voltage: 110-230 V / 50-60Hz
Weight: 9,9 kg

Conforms to
UL Std. 197
Cert. to CSA Std.
C22.2 No. 109
